STUDENT LIFE

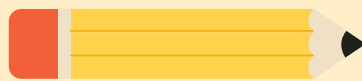

New year, new rules! As finals roll around for December, students from Middle School just got the big news that they will be taking these tests too for each of their main classes.

For those who are not familiar with the term, finals are exams that contain everything that's been learnt so far. Not to worry though! With the following tips you're guaranteed to do good in what seem to be the hardest assignments, but really aren't.

TIPS

1. **Get Organized:** go back through your notes and study.
2. **Get enough sleep/food:** these two are essential for your body and brain.
3. **Ask questions:** don't be afraid to talk to your teacher about any doubts.
4. **Practice:** practice makes better.
5. **Take Breaks:** remember, don't wear yourself out!

POP CULTURE

As we are coming to the end of the year, there are lots of movies, new music, etc. coming out within the next few weeks. The most exciting thing of the month is probably the new Hunger Games movie "The Ballad of Songbirds & Snakes" coming out on Nov. 16th, making it the fifth installment of the franchise after eight long years.

A trailer for Sony's *Madame Web* also just dropped and fans are really excited to see Sidney Sweeney play the famous superhero *Spider - Woman*.

Not only that, but artists such as Nicki Minaj, Kanye West, and Shakira are expected to drop new albums fairly soon which promise a lot.

IMPORTANT DATES

- Nov. 23rd - Thanksgivings/early dismissal
- Nov. 23-24th - Thanksgivings break!!
- Nov. 27th - MS Spelling Bee

EXTRA

World Cup playoffs are getting really exciting as Venezuela has a high chance of qualifying and finally playing in its first WC ever for 2026. After having such a great streak against some of the best teams from South America, we can only hope and support the team in its next match against Peru where (fingers crossed) we can take another win home.

Also remember that for December each grade has to bring something for Christmas!

- ECE/ red shirts: pan de jamón.
- ES: assorted Christmas desserts (at least one per family)
- SS: panettones and cakes.

PS. Don't forget to donate \$15-\$20 for toys. Thanks.
